TESTIMONIALS FROM THE PROFESSION.

After having examined the Pianofortes of Messrs. DECKER BROS. very carefully, we have come to the conclusion and cheerfully testify that they are in every respect superior instruments. Their tone is pure, rich, brilliant, very distinct, and of an entirely musical character. Their workmanship is of the very best, plainly demonstrating that none but the very best materials are used, and their touch, evenness, and quality of tone throughout the whole compass of the key-board unsurpassed by any other Pianoforte we have ever seen.
